

renewable energy living green **Green Energy Week** Edinboro University

VISION:

The "Green Energy Week" will serve to educate and motivate students, faculty and the general public by providing as much information as possible on renewable energy and living green to allow them to take action.

GOALS:

Edinboro University students and faculty:

- Allow them to see first hand the array of renewable and sustainable energy applications and technology.
- Give them information on how they can reduce, recycle and reuse while a student at EUP.
- Generate interest in "green" energy and green practices that might coincide with Professor Richard Lloyd's goal of starting a degree program at EUP.

The general public:

- Promote products, services and provide information that encourage healthier, more sustainable consumption and lifestyles for businesses and families.
- Help them learn if solar, wind or other forms of alternative energy would work for their homes or businesses.
- Provide energy savings tips they can use immediately.

DATES & EVENTS:

Thursday, 3 December – the "feature" event:

Green Energy Fair: 4:30 to 7:30 PM, Pogue Center Multipurpose A&B

Green Energy Workshops: 7:30 to 8:30 PM, Pogue Center Rooms 303A, B, C & 310

- ✓ Fair will feature a variety of exhibitors. This will include internal campus groups as well as external conservation, recycling groups and for-profit companies. For-profit companies will include vendors who sell environmentally friendly products, vendors who sell or install alternate energy solutions or vendors who offer consultations on designing eco-friendly/energy efficient homes or business.
- ✓ Fair will include entertainment like Eco-Elvis and some kind of music (DJ/Band).
- ✓ Fair will include: Food. Door prizes. Freebies (like compact fluorescent bulbs). FUN!
- ✓ Presentations and workshops will feature renewable energy (wind, solar, biomass, biofuels)

Other activities during the Green Energy Week:

- ✓ Monday, 30 November – Green Movie Premiere: *"The Age of Stupid"*
6:00 to 7:30 PM, Pogue Center Multipurpose B
- ✓ Tuesday, 1 December – Green Energy Job Panel
7:00 to 8:30 PM, Pogue Center Multipurpose A
- ✓ Wednesday, 2 December – Guest Green Speaker: Colin Beavan / "No Impact Man"
7:30 to 9:00 PM, Pogue: Center Multipurpose A&B
- ✓ Friday, 4 December – Green Cars / Hybrid Test Drives
11:00 AM to 2:00 PM, Pogue Center Parking Lot
- ✓ Tuesday to Friday, 1 to 4 December – Green Movie Showing: "FUEL"
5:00 PM Tuesday thru Thursday / 6:00 PM Friday, Pogue Center Scot Theater
